11 November 2010

Dear Parents

I am writing to thank you personally for your co-operation and understanding during recent weeks.

Our young people – and those not quite so young – have shown huge commitment as rehearsals have progressed. I am sure that the show will be a happy and memorable experience for all involved.

All performances need an audience....and I do ask you to 'spread the word' to your family, colleagues, neighbours etc. After such hard work it would be great to have a very 'full house' on the first evening. This will give the show a splendid start – and then I hope you will return later in the week.

Before next weekend each cast member will be given a backstage handbook. This outlines essential routines regarding Health and Safety etc. Please read it too so you know what is going on!

Thank you again for all you are doing to ensure the success of Tynemouth Gang Show 2010.

Yours sincerely

David Littlefield
Producer
